Turn of the Century Carriage

This Turn of the Century fully restored carriage is in very good condition and has been stored inside since the renovation. We call it a "Rumble seat Phaeton" because no one has been able to give us a better description.

The rumble seat tips under the front seat making the carriage a single seat.

Asking \$13,500.00

Houghton "Educating Cart"

This is the #10 Houghton "Educating Cart". It has 46" wheels, a patent dash, black wool seat, basket, 80" shafts and is made out of Canadian white ash and is clear coated. There is a cover for this cart.

We paid \$1700.00 for the cart and \$200.00 for the cover. I would be willing to sell this combo for \$1,500.00

Houghton Show Cart

This is a fine Houghton Show Cart #50. Also called The Jogger has a patent leather dash with chrome line rail, wing corduroy cushion with double texture vinyl boot. It has chrome 26" wheels for the show ring and 30" wooden wheels for x-country use. There is a cover for cart and wheels. Asking \$1,500.00
